Client Welcome Guide

Dear Valued Client,

Welcome! Thank you for selecting pim as your IT service consultant and provider. pim provides world-class support by offering more than the average MSP, serving as a strategic partner in your business.

As your technology consultant, we are your guide, steering you through what, at times, can be complex decisions around cybersecurity and aligning you with leading industry best practices. We believe our approach allows you to focus on your business and leave the rest to us.

We pride ourselves on providing the highest quality service and support. We strive to make your engagement with us as effortless as possible. From project requests and equipment installation to invoicing and how to contact us, we want working with us to be an easy, enjoyable process. Our motto is Synchronizing People, Process, and Technology.

Thank you for allowing us to be your IT service provider. Your satisfaction is our measure of success, and we are excited to have the opportunity to work with you and your team.

Regards,

Mission, Vision, and Values

MISSION

Our mission is to enhance your ability to deliver and achieve your business goals and objectives expertly and efficiently through technology.

VISION

Our vision is to enhance client growth, operational efficiency, sustainability, and profitability through predictive technology solutions.

VALUES

- Our clients are a part of our family; their success is our success.
- We are inspired by results and motivated by action.
- We learn, grow, and stay curious.
- We invent, simplify, and act.

Transitioning to pim

It is our goal to have your relationship with pim be effortless. From project requests and equipment installation, to invoicing and how to contact us, we want working with us to be easy and enjoyable. We take pride in providing you with the best customer service and support. Your satisfaction is our measure of success. We hope to make the transition to pim seamless with minimal disruption to your business continuity.

Our onboarding process is 6-8 weeks. During this transition time, you will meet all the pim team members who will serve your organization. You will be served by our:

- Technology Alignment Manager
- Client Success Manager
- Virtual Chief Information Officer (vCIO)
- Service Team
- Projects Team

Client Responsibility

We may provide you with a basic network questionnaire requesting usernames, passwords, and important data regarding your most used software packages and vendor information. Should you have questions about how to answer this questionnaire, our team will be available to help you.
